4.4 **Licence prevails over Rules:** In the event of inconsistency between the Rules and the rest of this Licence, the terms of this Licence shall prevail.

5. Use of Berth

5.1 **Berth the Named Boat only:** The Licensee shall use the Berth for:

- (a) the purpose of berthing the Named Boat; and
- (b) any other purpose authorised by this Licence (including the Rules), but for no other purpose.

5.2 **Named Boat owned by Licensee:** The Licensee covenants that the Named Boat is owned by the Licensee.

5.3 **Licensors must consent to a different boat:** The Licensee may seek the Licensor's consent in writing to nominate a different boat providing that the boat so nominated complies with the terms of this Licence (including the Rules), and in particular fits completely within the dimensions of the Berth.

5.4 **Notice when vacant:** The Licensee must advise the Manager in writing of any proposed period(s) of more than 72 hours during which the Berth will not be occupied by the Named Boat (**Unoccupied Berth Period**). The Licensee will use its best endeavours to give the Manager at least 7 days' advance notice of any Unoccupied Berth Period. The Licensor acknowledges that the timing and duration of the notified Unoccupied Berth Period may be an estimate only, provided that the Licensee will provide the Licensor with as much notice as is practicable of any changes to that estimate.

5.5 **Casual visitor berthing:** The Licensor may operate a **Visitors' Berth Pool** for visiting vessels on the following basis:

- (a) The Licensor will include the Berth in the Visitors' Berth Pool during any Unoccupied Berth Period. The Licensee may not use the Berth during the Unoccupied Berth Period without the Licensor's prior written consent (save that the Licensor shall grant such consent where the Berth is not booked or otherwise occupied by a visiting vessel). The Licensee acknowledges that the Berth may not be available for use by the Licensee during the Unoccupied Berth Period first notified to the Manager, despite any subsequent change to the Unoccupied Berth Period notified by the Licensee.
- (b) The Licensor may, at its discretion, from time to time allocate berths forming part of the Visitors' Berth Pool to visiting boats and charge such visitors a fee which is from time to time fixed by the Licensor. Any such fees received by the Licensor in respect of the Berth shall be separately accounted for by the Licensor, the total aggregate amount from time to time being the **Visitors' Berthing Fees**.
- (c) The Licensor may deduct from the Visitors' Berthing Fees on an annual basis the cost of repairing property damage caused by visitors using the Berth and any other costs incurred by the Licensor in relation to making the Berth available to visitors on a casual basis as part of the Visitors' Berth Pool.
- (d) Following the deduction of the costs referred to in clause 5.5(c), the balance (if any) of the Visitors' Berthing Fees for the Berth as at the end of each financial year of the Licensor shall be shared on a 60/40 basis between the Licensor (as to 60%) and the Licensee (as to the other 40%). The Licensee's share of the Visitors' Berthing Fees will be applied by the Licensor towards future instalments of the Annual Fee.

6. Annual Fee

6.1 **Pay in instalments, in advance:** The Licensee will pay the Annual Fee to the Licensor by instalments in advance in accordance with the Schedule. All other applicable charges are set out in the Marina Fee Schedule and are payable by the Licensee to the Licensor in addition to the Annual Fee in accordance with the Schedule.

- 8.3 **No encumbrances:** The Licensee shall not mortgage, grant a security interest in or over or otherwise encumber its interest under this Licence.
- 8.4 **Subsequent operators:** The Licensor may at any time transfer any or all of its rights and obligations under this Licence to any subsequent operator of the Marina.

9. **Nature of Rights Granted by this Licence**

- 9.1 **Licence only:** The parties acknowledge that this document grants a licence and not a lease. The legal right to possession and control in relation to the Berth remains with the Licensor, although the Licensee enjoys the occupation rights granted by this Licence.
- 9.2 **No proprietary rights:** The Licensee shall not be entitled to any proprietary right or interest in any real or personal property (including the Berth, any water space or any part of the airspace or seabed above or below the Berth or Marina).
- 9.3 **CCTV cameras may be used:** The Licensor may install and operate surveillance devices for the purpose of protecting the safety and security of the Licensor's property and that of its customers or third parties and/or assisting in the investigation and/or prosecution of any illegal act or any breach of this Licence. 10. **Water Space and Access**

- 10.1 **Use of water space:** This Licence relates only to the allocated water space of the Berth.

- (a) make fast to the allocated berth structures in the Marina; and
 - (b) access and use the common waterways and pathways of the Marina,
- in accordance with this Licence (including the Rules). The Licensee will comply with any access routes or restrictions designated by the Licensor from time to time.

11. **Moving Named Boat and Vacation of Berth**

- 11.1 **Licensor may enter/move boat:** The Licensor (and the Manager) shall be entitled to enter the Berth and/or the Named Boat (whether or not the Licensee is present) and to move or remove or carry out repairs to the Named Boat (or any other property), in order to prevent any loss or damage to any property, in an emergency situation (as reasonably determined by the Licensor) or if the Licensee fails to promptly comply with any of its obligations under this Licence. In such circumstances the Licensor (and the Manager) shall be deemed to be authorised by the Licensee to so enter and act. The Licensor will not be liable for, and the Licensee will indemnify the Licensor

and the Manager against, any actions, claims, demands, losses, costs and expenses incurred in, or resulting (whether directly or indirectly) from, the exercise of the powers contained in this clause 11.1 except to the extent caused by the Licensor's negligence.

11.2 **Vacation of Berth:** The Licensor may at any time require the Licensee to vacate the Berth either on a temporary or permanent basis and to take up another suitable berth within the Marina. In such event:

- (a) the Licensor shall take all such steps as are reasonably practicable (having regard to the period of relocation) to ensure that the new berth is similar in size and location as the Berth;
- (b) the Licensor will not be liable in any manner whatsoever to the Licensee or any other person in respect of the change of Berth;
- (c) the terms of this Licence shall apply to the new berth; and
- (d) the Licensee will promptly vacate the Berth and move the Named Boat to the new berth stipulated by the Licensor. Clause 16.3(a) shall apply as if the Licence of the Berth had been cancelled.

12. **Alterations to Berth**

The Licensee shall not make any alterations or additions to the Berth or adjacent structures without the prior written consent of the Licensor.

13. **Use of Resources and Facilities**

The Licensee may use the water, power and any other resources and facilities forming part of the Marina in common with any other berth licensees from time to time. Where the Licensor determines in its discretion that any such use is excessive or unusually high (including by comparison with other licensees), the Licensor shall be entitled to charge such sum as it considers appropriate for such use, separate from and in addition to the Annual Fee.

14. **Notification of Licensee's Address**

14.1 **Notify address changes:** The Licensee shall at all times keep the Licensor informed of any change to the current address of the Licensee, or alternatively, the name and address of any agent to whom the Licensee grants unlimited authority to act for the Licensee in all matters concerned with or arising out of the Licence.

14.2 **Licensor may deal with agents:** Where the Licensee has appointed an agent then the Licensor shall be entitled to deal with that agent in all respects as if the agent was the Licensee and the Licensee shall be bound accordingly.

14.3 **Joint Licensee must appoint agent:** If the Licensee comprises more than one person, then all those persons comprising the Licensee shall appoint one of their number or some other person to be their agent as set out in clause 14.1 and in default of any such appointment the first named person in the description of the Licensee in the Schedule shall be deemed to be the agent of all such persons comprising the Licensee in terms of clause 14.1.

15. **Insurance**

15.1 **Licensee must insure:** The Licensee shall at all times keep all boats, craft and other property owned or brought into the Marina by the Licensee and/or invitees of the Licensee, fully insured whilst within the confines of or near to the Marina against loss or damage by fire, explosion, storm, tempest, typhoon, earthquake, accidental damage, burglary, act of God and all other usual maritime risks.

15.2 **Do not void Licensor insurance:** The Licensee must not do or allow anything to be done which renders any insurance effected by the Licensor void or voidable. If the Licensee does, or permits or fails to do, anything that may result in an increased or extra premium becoming payable by the Licensor, the Licensee must pay such increased or extra premium.

15.3 **Public liability insurance:** The Licensee shall also effect public liability insurance of such sum as the Licensor may from time to time require (and initially as set out in the Schedule) in respect of all loss or damage to the property of others arising out of the use of the Named Boat within the Marina or occupation of the Berth, such policy to cover the owner and the master of the boat against

liability for claims by the Licensor or by third parties in respect of such loss or damage. Evidence of the holding of such cover shall be provided to the Licensor (or the Manager) prior to the Commencement Date and thereafter upon demand being made.

16. **Cancellation**

16.1 **Default cancellation:** Subject to the Licensor first complying with any provisions in the Property Law Act 2007 applicable to cancellation of this Licence, the Licensor may cancel this Licence if any of the following default events occur in respect of the Licensee and are not remedied within 10 working days (or such longer period as the Licensor may specify in the notice) from the date on which the Licensor gives notice of such default event to the Licensee:

- (a) The Licensee breaches any of its obligations under this Licence (including the Rules) or any other agreement between the parties;
- (b) The Licensee suffers any insolvency event (including committing an act of bankruptcy; being adjudicated bankrupt; the appointment of any receiver, liquidator, administrator or statutory manager; the entry into any assignment, arrangement or composition for the benefit of creditors generally; or an inability to pay debts as they fall due);
- (c) The Licensee ceases to own the Named Boat, or otherwise hold all necessary rights to operate and use the Named Boat from the Berth; or
- (d) The Licensee, if an individual (or, if the Licensee comprises more than one individual, any such individual), dies or is subject to an order under the Protection of Personal and Property Rights Act 1988.

16.2 **Licensor's rights survive cancellation:** The cancellation of this Licence by the Licensor shall be without prejudice to the rights of the Licensor against the Licensee in respect of any act or omission on the part of the Licensee prior to such cancellation.

16.3 **Consequences of cancellation:** Upon cancellation of this Licence (whether under clause 3.2 or this clause 16):

- (a) the Licensee shall, within any timeframe stipulated by the Licensor (acting reasonably in the prevailing circumstances):
 - (i) remove the Named Boat from the Berth or any other boat, property or person occupying the Berth (unless the Licensor has exercised a lien over the relevant boat or property, in which case the boat or property shall be removed as soon as the lien is removed);
 - (ii) remove all rubbish from the Berth; and
 - (iii) clean and repair to the satisfaction of the Licensor any damage caused by the Licensee (or its agents, contractors employees and invitees) to the Berth and Marina,

If the Licensee fails to promptly comply with its obligations under this clause, the Licensor may take all necessary action itself, in whatever manner and by whatever means the Licensor reasonably considers necessary at the Licensee's risk and cost, in order to address such non-compliance;

- (b) the Licensor is not required to refund, and may retain, any monies paid in advance by the Licensee;
- (c) the Licensee shall have no right to any payment or compensation from the Licensor, and shall have no claim against the Licensor, arising out of such cancellation;
- (d) the Licensor shall be at liberty to grant a new licence for the Berth to such person and on such terms as the Licensor in its sole and absolute discretion determines appropriate.

17. **Liability and Indemnity**

17.1 **"As is, where is":** Access to and use of the Berth by the Licensee is provided by the Licensor on an "as is, where is" basis. The Licensee shall use and access the Berth and Marina entirely at the Licensee's risk and the Licensee acknowledges that the Licensor does not provide security services. Subject to clause 17.3, the Licensor accepts no responsibility for the adequacy or

otherwise of the Marina or the Berth or the facilities of the Marina or for any loss or damage to the Named Boat or any other property of the Licensee or any other persons using the Marina incurred or suffered within or about the Marina, except to the extent caused by the Licensor's negligence.

- 17.2 **Liability limited:** If the Licensor is found to be liable in connection within this Licence, the Licensor's liability is limited to the aggregate Annual Fee paid by the Licensee in the 12 months preceding the relevant event. Subject to clause 17.3, in no circumstances will the Licensor be liable (whether in contract, tort or otherwise) for any indirect or consequential loss or for any loss of profit, loss of revenue, loss of goodwill, loss of opportunity or economic loss (in each case whether direct or indirect and whether or not the Licensor was or should have been aware of the likelihood of such loss).
- 17.3 **No contracting out:** Nothing in this Licence is intended to exclude the application of any applicable law which cannot be excluded by contract (including the Consumer Guarantees Act 1993 (unless the Licensee uses the Berth in trade in which case the parties agree that none of the rights and remedies under that Act will apply) and the Fair Trading Act 1986).
- 17.4 **Licensee indemnity:** The Licensee indemnifies the Licensor against any loss, expense, liability, actions, claims, demands and costs reasonably incurred by the Licensor arising as a result of the Licensee's acts or omissions or the acts or omissions of its agents, contractors employees and invitees (except to the extent caused by the Licensor's negligence).

18. **Payments**

- 18.1 **Pay by due date:** All payments due by the Licensee under this Licence shall be paid to the Licensor together with GST (if any), without demand, in full and without any deduction or set-off of any kind (except to the extent expressly stated otherwise in this Licence), and in the manner and amount and by the due date notified to the Licensee from time to time by the Licensor or otherwise specified in this Licence.
- 18.2 **Default interest and enforcement costs:** The Licensee shall pay interest to the Licensor on demand at the Default Interest Rate on any amount not paid when due under this Licence, such interest being calculated from the due date for payment until the date of actual payment. The Licensee will also be liable for all costs and expenses incurred by the Licensor in recovering any amount due for payment by the Licensee under this Licence (or otherwise enforcing this Licence) and all such costs and expenses will also bear interest in accordance with this clause from the date those costs and expenses are incurred by the Licensor until reimbursement by the Licensee.
- 18.3 **Lien for unpaid amounts:** The Licensor shall have a lien over any vessel (or other property) located at the Berth or the Marina for all amounts payable by the Licensee to the Licensor under or in connection with this Licence. If any payment due under this Licence by the Licensee is more than 14 days in arrears and the Licensee fails to make payment in full within a further period specified in a notice from the Licensor referring to the Licensor's rights under this clause, the Licensor may sell or otherwise dispose of such vessel and/or other property in any manner and on any terms the Licensor thinks fit and apply the proceeds of such sale or disposal towards satisfaction of all amounts owed by the Licensee and the costs incurred by the Licensor in exercising its rights under this clause, returning the balance (if any) to the Licensee. Where the services provided by the Licensor under this Licence are subject to a common law or statutory lien, nothing in this clause shall exclude the application of such lien and the Licensor may elect to exercise its rights under such lien in addition to or instead of its rights under this clause 18.3.

19. **Dispute Resolution**

- 19.1 **Mediation:** If a dispute or difference arises out of or in connection with this Licence ("**Dispute**") which cannot be resolved by negotiation within 14 days of one party giving notice of the Dispute to the other party, either party may by written notice to the other refer the Dispute to mediation. The mediation shall be conducted by a mediator and at a fee agreed by the parties. Failing agreement between the parties within 14 days of notice given pursuant to this clause 19.1 the mediator shall be selected by the Chair for the time being of Resolution Institute. The parties agree to mediate any dispute in terms of the Resolution Institute standard Mediation Agreement (NZ version).
- 19.2 **Arbitration:** If the Dispute is not resolved by mediation within 14 days of the appointment of the mediator (or within such further period as the parties may agree in writing) then either party may by written notice to the other refer the Dispute to arbitration. Arbitration shall be conducted in Christchurch by a single arbitrator agreed by the parties or, failing agreement within 14 days of notice

given pursuant to this clause 19.2, nominated by the President for the time being of the New Zealand Law Society at the request of either party.

19.3 **Court proceedings:** Nothing in this clause 19 shall prevent either party from seeking or obtaining any injunctive or interim relief in any court of competent jurisdiction, nor prevent the Licensor from issuing proceedings in any court of competent jurisdiction (or taking any other step) in relation to any failure by the Licensee to pay any undisputed amount when due.

20. Further Developments and Port Operations

20.1 **Further Developments permitted:** The Licensee acknowledges that the Licensor will be entitled from time to time to improve, extend, add to, reduce or alter the Marina (**Further Development**) in any manner whatsoever. Where the Licensor exercises such right:

- (a) The Licensor will endeavour to keep the Licensee informed regarding Further Developments (including by publishing information on the Marina website) and cause as little inconvenience to the Licensee as is practicable in the circumstances;
- (b) The Licensee will not, directly or indirectly, make (or encourage, fund or support any other person to make) any requisition, objection, opposition, complaint or claim (including for any compensation), nor issue any proceedings, in respect of the Further Development. To avoid doubt, nothing in this clause shall limit any right or remedy the Licensee may have if the Licensor breaches any applicable law; and
- (c) The Licensee will, if required by the Licensor, sign all such consents and surrenders as may be required by the Licensor to give effect to the Further Development.

20.2 **No objection to port operations:** The Licensee further acknowledges that the Marina is located within an operational port and accordingly agrees that it will not, directly or indirectly, make (or encourage, fund or support any other person to make) any requisition, objection, opposition, complaint or claim (including for any compensation) in respect of any discharge, disturbance, annoyance or interference from port operations. To avoid doubt, nothing in this clause shall limit any right or remedy the Licensee may have if the Licensor breaches any applicable law.

21. General

21.1 **Governing law:** This Licence shall be interpreted in accordance with the laws of New Zealand.

21.2 **Notices:** All demands, requisitions, consents, approvals or notices to be given by either the Licensor or the Licensee under this Licence must be in writing. A notice to the Licensor may be given to or served upon the Licensor at the postal or email address specified in the Schedule (or otherwise notified by the Licensor). A notice to the Licensee may be given by being posted or emailed to the Licensee at the address specified in the Licence or such other address as the Licensee may from time to time notify the Licensor. Any such demand, requisition, consent or notice will be deemed to be received: (i) if posted, three days after it has been put into the post; (ii) if emailed, at the time of sending if sent before 4.30 pm on a business day (being any weekday which is not a public holiday in Christchurch) and in any other case at 10.00am on the first business day after the date of sending (provided that the message is not returned undelivered or as an error or an automatically generated "out of office" message (or other indication on non-receipt) is not received by the sending party).

21.3 **Licensor consent is discretionary:** In any case where pursuant to this Licence the doing or execution of any matter or thing by the Licensee is dependent upon the consent or approval of the Licensor, such consent or approval may be given conditionally or unconditionally or withheld by the Licensor in its absolute uncontrolled discretion (unless otherwise provided in this Licence) and such consent must be given in writing.

21.4 **Entire agreement:** This Licence constitutes the entire agreement of the parties about its subject matter and any previous agreements, arrangements, understandings, representations and negotiations on that subject matter cease to have effect. Any existing licence agreement between the parties regarding the use of a berth at a marina within Lyttelton Harbour shall cease to have any effect on and from the Commencement Date, but without prejudice to any accrued obligations of the Licensee at such date (including the Licensee's obligation to pay all amounts due for the period up to the Commencement Date and to vacate the relevant berth).

- 21.5 **Force Majeure:** Neither party will be liable for any delay in performance or non-performance of any of its obligations under this Licence or any damage or loss, to the extent caused by any event or circumstances beyond the reasonable control of that party, including any industrial action, storm, wind, flood, fire, explosion, earthquake, or other acts of God. To avoid doubt, nothing in this clause shall excuse any delay or non-payment of amounts due under this Agreement.
- 21.6 **Severability:** If any part of this Licence is held by a court or administrative body of competent jurisdiction to be illegal, void or unenforceable, such determination shall not impair the enforceability of the remaining parts of this Licence.
- 21.7 **No waiver:** No waiver of any breach of, or failure to enforce any provision of, this Licence at any time by the Licensor will in any way limit the right of the Licensor to enforce and compel strict compliance with the provisions of the Licence.
- 21.8 **Counterparts:** This Licence may be executed in any number of counterparts and all the counterparts when taken together will constitute one agreement. Each party may enter into this Licence by executing a counterpart. The parties acknowledge that this Licence may be executed by an exchange of scanned and emailed PDF copies and execution of this Agreement by that means is valid and sufficient execution.
